**Diabetes New Zealand membership**

You will automatically be enrolled as a Diabetes New Zealand support member and receive:

- Access to our online resources and support services, including the quarterly Diabetes Wellness magazine and the Take Control Toolkit.
- Affiliation to Diabetes New Zealand (national office).

I do not want to become a Diabetes New Zealand support member.

To join Diabetes New Zealand as a full member visit [www.diabetes.org.nz](http://www.diabetes.org.nz)

For a small annual fee full members receive:

- Access to the Take Control Toolkit
- Face-to-face support from your local branch
- A hard copy of the Diabetes Wellness magazine delivered to your door quarterly.

I confirm the information I've supplied is correct and that the #1 pack is for a newly diagnosed child:

- Aged between 4 – 10 years
- Diagnosed within the last six months
- Resides in New Zealand
